## VIVA GOLD SENDS NOTICE OF SPECIAL MEETING

### NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.

**Vancouver, B.C. – June 8, 2021** – Viva Gold Corp. (“**Viva**” or the “**Company**”) (TSXV: VAU) announces that it has called a special general meeting of its shareholders (the “**Meeting**”) to consider the business stated in a May 18, 2021 dissident shareholder meeting requisition (the “**Requisition**”) delivered to the Company pursuant to section 167 of the *Business Corporations Act* (British Columbia) (the “**Act**”). The Meeting is scheduled to be held at 10 a.m. (Pacific Time) on Tuesday, August 17, 2021, at 250 Howe Street, 20<sup>th</sup> Floor, Vancouver, British Columbia V6C 3R8. To address the requirements of subsection 128(5) of the Act, notice of the date, time and location of the Meeting has today been sent to the Company’s registered shareholders. A copy of that Meeting information is available under the Company’s profile on SEDAR.

This unfortunate distraction of the Company’s time, attention and resources away from its ongoing financing transaction and work to advance its Tonopah project, was necessitated by a dissident group of shareholders seeking to take control of Viva without giving it’s majority of shareholders any payment or premium. In due course, and in accordance with the disclosure and timing requirements of the applicable securities laws, the Company intends to prepare and send a management information circular and related proxy materials to its registered and beneficial shareholders.

#### **About Viva Gold Corp.**

Viva Gold Corp. is a gold exploration and project development company with a focus on Nevada. Viva holds 100% of the advanced Tonopah Gold Project, a large land position of approximately 8,800 acres with demonstrated high-grade measured, indicated and inferred gold resources, located on the prolific Walker Lane gold trend in Nevada, about 30 kilometers south-east of the Round Mountain mine of Kinross Gold and 20 kilometers north from the Town of Tonopah. Viva's management team has extensive experience in mining exploration, development and production and are supported by a Board of Directors and advisors who are proven mine finders, deal makers and financiers.
